

Citizen's Advisory

Please be advised that the City of Sunny Isles Beach will be sweeping the Town of Surfside streets tomorrow (October 6th) beginning at 8:30 am and continuing until all streets both curb lines have been swept. This work should take approximately 4 to 6 hours. Please move your vehicles into your driveways if possible so that we can clean the gutter pan on both sides of the street.

If you have any questions feel free to contact Public Works at Town Hall , (305) 861-4863.
